

## MUNCHKINS

You may attend MOMS with or without your child(ren). Quality, loving childcare is provided for children birth to kindergarten. The children's program, called MUNCHKINS, is where little ones engage in developmentally appropriate play and educational activities during the meetings, so moms can feel free to enjoy their activities. Children enjoy stories, free play, crafts and music.

## What is MOMS?

✿ MOMS stands for "Mothers of Munchkins" It is a program designed to nurture mothers with children from birth to kindergarten. Expectant mothers are also welcome!

✿ It's a place where moms have the opportunity to make new friends, share experiences, laugh together and learn trusted principles pertaining to womanhood, marriage, and parenting. MOMS also provides opportunities for social outings. MOMS recognizes that the years from infancy through kindergarten are foundational in a mother-child relationship and are filled with unique needs.

✿ The women you meet at MOMS may not all be of the same age, background or lifestyle, but they are all in the same phase of life with a shared desire to be the best mother they can be.
